

THE PREMIER EXECUTIVE 38 SEATER

WHERE FEATURES AND FLEXIBILITY COMBINE

This coach really is the ideal choice for those who want the best of both worlds when it comes to transport.

It has the comfort and flexibility of our smaller vehicles but, with 38 seats, is aimed at those with bigger groups to shuttle around. Thanks to its comfortable seats and on-board washroom facilities, it's also got the extra features that people associate with our larger vehicles.

3-point seat belts

Microphone

CD player

DVD and TV screens

Climate control

Generous legroom

Large boot space

USB ports
